

# Lovable

Lovable is a heartwarming children's book for women and girls that encourages readers to embrace their authentic selves and express their emotions without fear. Through relatable characters and beautiful illustrations, Lovable reminds kids they are lovable just the way they are, even in the face of doubt or adversity.

This message is especially important for young girls (and women) who face societal pressure to be perfect. Lovable is wonderful for parents and caregivers to read with their children, as it is an uplifting story that promotes self-love and self-acceptance.

“ I was just reading Lovable and my 13 year old daughter stopped and asked me what I was reading. Then she stayed around to listen to me. Read the entire book and LOVED IT! She said she wished she had a book like that when she was smaller, and she still feels a lot of what these pages say!!! Love this book!

A. Brodie

“ This is such a beautiful and reaffirming book that is so needed for the child in all of us. The book can be read forward, backward, or turned to any page. No matter how you approach "Lovable," every moment spent in the company of this book is a rich and enriching one for children, parents, and readers of all ages.

C. Gaver

## About the Author

Malene holds a B.A. in English from Morgan State University, an M.A. in Writing from Johns Hopkins University, and an M.Msc from the University of Sedona. LOVEABLE is Malene's first children's book--though it is a book for all ages. She lives in sunny, Southern California.
